TRAVEL INSURANCE *solutions*

Designed specifically for cost-conscious travelers, iTravelInsured Choice provides a practical solution to travel's worst moments. Whether it's a cancelled flight, delayed baggage, or a medical emergency while away from home, iTravelInsured Choice provides benefits to help get you through it. This travel protection plan gives you the power to make the best choice for your travels. It has the well-rounded coverage you need, with the option to expand your coverage in key areas for an additional cost. Don't let other travel insurance companies tell you what you need – decide for yourself with iTravelInsured Choice. It's ideal for families traveling domestically or cruising abroad, couples and solo travelers exploring the world, weekend getaways, business travel, and nearly every trip in between. If you're spending $10,000 or less per person on your trip, this is likely the choice for you. Below are some of the most common travel mishaps this plan can help you address.

CANCELLATIONS AND INTERRUPTIONS

Sometimes *life* happens and you have no choice but to cancel a trip or end it early. Trip Cancellation and Trip Interruption benefits allow you to recover non-refundable, unused payments and deposits made toward your trip when it is cancelled or interrupted for a covered reason. With the iTravelInsured Choice plan, you can purchase an optional upgrade for Cancel For Any Reason/Interruption For Any Reason* coverage, which allows you to recover some of your trip costs if your trip is cancelled or interrupted for a reason not otherwise covered under the plan.

DELAYS

When your trip is delayed and a covered reason keeps you from using your originally booked accommodations, trip delay benefits can help reimburse you for the extra expenses.

EMERGENCY SITUATIONS

When the unexpected happens, IMG's team is available 24/7. Our Non-Insurance Emergency Travel Assistance Services include emergency travel arrangements, medical referrals, lost passport/travel documents assistance, emergency prescription replacements, emergency translations, legal referrals and more.

MEDICAL EXPENSES & TELEHEALTH

Nobody plans to get sick or experience a medical emergency on vacation, but unfortunately, it can happen. That's why iTravelInsured Choice offers primary coverage for accident & sickness medical expenses and emergency medical evacuations. This plan also offers access to 24/7 telehealth services. Use Teladoc to connect with a board-certified medical professional who can help diagnose, treat, and prescribe medications for many non-emergency medical issues over the phone or through online video consultation. If you want more robust coverage for medical emergencies, you can purchase the optional Enhanced Medical add-on, which upgrades your Emergency Accident and Sickness Medical Expense coverage to $250,000 and your Emergency Medical Evacuation and Repatriation maximum limit to $1,000,000.

LOST OR DELAYED LUGGAGE

Airline lost your baggage? Luggage stolen while under the care of your hotel? The Baggage and Personal Effects benefit can reimburse you for personal items lost, stolen, damaged or destroyed during your trip. If your checked baggage is delayed for a certain number of hours on the way to your destination, Baggage Delay benefits provide reimbursement for the cost of necessary personal items like clothing and toiletries you need to purchase while waiting for your bags.

Eligibility varies by state. Check plan documents for details.

All coverages are subject to additional terms and conditions; please review the plan document for full details.
