Global Medical Insurance®APPLICATION

Important Information

Global Medical Insurance offers two areas of coverage: Worldwide or Worldwide Excluding the U.S., Canada, China, Hong Kong, Japan, Macau, Singapore, and Taiwan. Either area provides coverage 24 hours a day, and you have the freedom to choose any doctor or hospital for treatment. Please note the risks and subjects of insurance under this plan are not intended or considered by the Company or IMG to be resident, located, or to be performed in any particular jurisdiction, and special eligibility requirements apply.

Important Notice Regarding Patient Protection and Affordable Care Act (PPACA) Global Medical Insurance is not subject to, and does not provide benefits required by PPACA. PPACA requires U.S. citizens and certain U.S. residents to obtain PPACA compliant insurance coverage unless they are exempt from PPACA. Tax penalties may be imposed on U.S. citizens and U.S. residents who are required to maintain PPACA compliant coverage but do not do so. Eligibility to purchase or renew this

product, or its terms and conditions, may be modified or amended based upon changes to applicable law, including PPACA. Please note that it is solely your responsibility to determine if PPACA is applicable to you. For information on whether PPACA applies to you or whether you are eligible to purchase Global Medical Insurance, please see IMG's Frequently Asked Questions at imglobal.com/faq.

Also, this insurance is not subject to certain portability, access, renewal, or other requirements of the Health Insurance Portability and Accountability Act of 1996. Please read and review all of the eligibility requirements, coverage conditions, and pre-existing condition exclusions carefully before purchasing coverage. Marketing brochures and certificate wordings containing complete terms of coverage are available upon request. Please contact IMG or your independent insurance producer for details.

FAILURE TO PROVIDE LEGIBLE AND COMPLETE INFORMATION MAY DELAY PROCESSING OF YOUR APPLICATION.
