

Patriot Multi-TripSM Group

Medical insurance for groups of five or more people taking multiple trips annually

Why Consider International Travel Medical Insurance?

When your group travels frequently throughout the year, they have plenty of responsibilities. They don't need to be worried about their medical coverage while abroad. But what would happen if they became ill or injured during the trip?

Most travelers assume they will be covered by their standard medical plan. The truth is, while traditional plans offer adequate domestic coverage, they are not designed for international travel.

Your group has enough to worry about when they travel. Don't let their medical coverage be an uncertainty. International Medical Group® (IMG®) has developed two Patriot Multi-TripSM Group plans to provide you and your group Coverage Without Boundaries® so you can spend more time enjoying your international experience, and spend less time worrying about your medical coverage.

Why Patriot Multi-Trip Group?

The two Patriot Multi-Trip Group plans offer a complete package of international benefits available 24 hours a day. **Patriot Multi-Trip Group International** is a plan for U.S. citizens that provides coverage for a group of people taking multiple trips annually outside the U.S. **Patriot Multi-Trip Group America** is a plan for non-U.S. citizens that provides coverage for a group of people who take multiple trips annually outside of their home country, and/or country of citizenship. Both plans offer coverage for the group members, their spouses and/or children for each trip taken outside their home country, and/or country of citizenship, during a period of up to 12 months with renewability up to three years, in accordance with the terms of the Certificate of Insurance.

Additionally, the plans offer excellent benefits and services to meet your global needs. You have access to international, multilingual customer service centers, claims administrators who process claims from all over the world, handling virtually every language and currency, and 24 hour access to highly qualified coordinators of emergency medical services and international treatment. You also have access to more than 17,000 providers through our International Provider AccessSM (IPA) when seeking treatment outside the U.S. You can also reduce your out-of-pocket costs when seeking treatment in the U.S. by locating providers through the independent Preferred Provider Organization.

A Unique, Full-Service Approach

At IMG, we know that the reasons to travel abroad are many and varied - that's why our services are designed to provide you with the assistance you need no matter where you are. complete description of your coverage under the contract. *Please note: If you require express mail delivery, there is an additional charge listed on the Application Form.*

ONLINE FULFILLMENT KIT

To do this, you must check the appropriate box listed on the application form. We **must** have your correct email address to complete this process. If IMG has processed and approved your application form, you will receive an email from IMG that contains all of the hyperlinks to easily obtain the fulfillment information through the Internet.

CLAIMS PROCEDURE

PRECERTIFICATION

Each proposed hospital admission, in-patient or out-patient surgery, and other procedures as noted in the Certificate of Insurance must be Precertified for medical necessity, which means the insured person or their attending physician must communicate with an IMG representative at the number listed on the IMG identification card **prior** to admission to a hospital or performance of a surgery. In case of an emergency admission, the Precertification call must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not Precertified, eligible claims and expenses will be reduced by 50%. It is important to note that Precertification is only a determination of medical necessity, not an assurance or authorization of coverage, verification of benefits or a guarantee of payment. All medical expenses eligible for reimbursement must be medically necessary and will be paid or reimbursed at usual, reasonable, and customary rates. Please refer to the Certificate of Insurance for full details of the Precertification requirements.

***Note:** You may begin the Precertification process through MyIMG or the Client Resources section of our website, www.imglobal.com. Simply look for the Precertification option. Please note that this online service will only initiate the Precertification process, and it should not be used to Precertify emergency admissions, procedures or evacuations.*

CLAIM PAYMENT

All benefits payable under Patriot Multi-Trip Group are subject to the terms and conditions of the Certificate of Insurance. To make claim processing efficient, claims may be paid in two ways: **1.** Eligible expenses that have been paid by or on behalf of the insured person may be reimbursed by check directly to the insured person. **2.** Eligible expenses that have not yet been paid by the insured person may, at the option of IMG, be paid either to the insured person or directly to the provider.

Claims forms can be accessed at www.imglobal.com and mailed to International Medical Group, P.O. Box 88500, Indianapolis, IN 46208-0500 USA.
