**GET COVERED AWAY FROM HOME.**

International travel can become a scary situation if you're not prepared for a medical emergency. Most travelers assume they're already covered by their standard medical plan—but that isn't always the case. While domestic plans provide sufficient coverage at home, most are not designed to provide the coverage and assistance required for international travel. Don't let your medical coverage be an uncertainty. Choose the **Patriot Travel®** plan that meets your needs and spend more time enjoying your international experience—*not worrying about your medical coverage.*
