

Short-term travel medical insurance for individuals, families, and groups

PATRIOT

Travel Series

GET COVERED AWAY FROM HOME.

Traveling abroad is an exciting experience, but unpredictable illnesses and accidents can happen. Most travelers assume they're already covered by their standard medical plan—but that isn't always the case. While domestic plans provide sufficient coverage at home, most are not designed to provide the coverage and assistance required for international travel.

Each plan within the Patriot Travel Series provides various levels of coverage for individuals, families, and groups who need temporary medical insurance while traveling for business or pleasure anywhere outside of their home country. Ideal for international vacationers, relatives visiting from overseas, and international business travelers, each plan is designed to protect you in the event of an illness or injury when traveling abroad and provide key medical benefits in case of emergency.

Choose the Patriot Travel plan that meets your needs, and spend more time enjoying your international experience—not worrying about your medical coverage.

PREMIUM BENEFITS

The following benefits vary by Patriot Travel Series plan level selected:

■ COVID-19 Coverage

The COVID-19 pandemic has changed the way we think about travel. With COVID-19 coverage, charges for treatment resulting from COVID-19/SARS-CoV-2 are covered the same as any other illness covered under the policy.

■ Acute Onset of Pre-Existing Conditions

Should you experience a sudden and unexpected outbreak or recurrence of a pre-existing condition, this coverage provides necessary emergency care for any medical emergency that is life threatening or requires immediate medical treatment. Coverage is available for travelers under age 70, and maximum limits vary by plan and age.

■ Travel Intelligence

With IMG Travel Intelligence, you can get location-specific alerts across ten threat categories that span health, transportation, security, and weather. Leverage location-specific travel intelligence, like travel tips, tools, and key insights from local analysts.

■ Telehealth

Telehealth provides access to a national network of board-certified doctors and pediatricians in the U.S. who are available 24 hours a day, seven days a week, 365 days a year to help diagnose, treat, and prescribe medication (when necessary and available) for many non-emergent medical issues via phone or online video consultations. Telehealth does not replace existing primary care physician relationships, but supplements them as a convenient, affordable alternative for non-emergency medical care.

■ Evacuation Plus

While all Patriot plans provide emergency medical evacuation coverage for life-threatening injuries and illness, Evacuation Plus provides coverage up to \$25,000 for medical evacuations if you experience a sudden, non-life-threatening medical condition that requires hospitalization. IMG will arrange and cover ground and air transportation to the nearest hospital capable of providing treatment.
