Enrollment

To apply for Global Medical Insurance, simply complete the online application. If you are applying as a family, you may include yourself, your spouse, and your dependents on one application. If you have dependents who are age 19 and older, you must complete a separate application for those individuals. You must accurately complete all questions outlined in the application in order to be considered for coverage.

If approved, you will receive an online fulfillment kit, which includes a digital identification card, declaration of insurance, and a Certificate Wording containing a complete description of benefits, exclusions, and terms of the plan. You are required to notify IMG, as required by the terms of the plan, if you or any family member suffers from or is treated for any illness, injury, or other medical condition between the time of your application and the issuance of the certificate. If your application is not approved, you will receive a full refund of any premium received by IMG. For additional information, please contact your independent insurance producer.

Lifetime Coverage

Lifetime medical coverage is available if you are enrolled in the Global Medical Insurance program by your 65th birthday and maintain continuous coverage to age 75. Prior to your 75th birthday, you will receive a summary of benefits for the Global Senior Plan® and an enrollment form for coverage. There is no additional medical underwriting. You simply need to review the benefits, and promptly complete and return the enrollment form with your premium.

Quality Guarantee

To ensure your satisfaction, once you are accepted in the plan, we provide a 15-day free look period to review the coverage. If, during that 15-day period, you find that you are not satisfied with the plan for any reason, you may submit a written request for cancellation and a full refund of your premium received by IMG. See the Certificate Wording for full details.
