Patriot AdventureSM

Medical
insurance for
adventure sports
enthusiasts who
are traveling
abroad.

Why Consider International Travel Medical Insurance?

Are you traveling abroad for an adventure sport activity? If so, you have probably purchased the latest equipment and picked the perfect location. But what would happen if you are injured or become ill during your trip? Do you have medical insurance that covers you in the event that you need treatment in another country? Will you be covered if you are injured as a result of your sports activity?

Most travelers assume they will be covered by their standard medical plan. In reality, traditional medical plans may offer adequate domestic coverage, but they are not designed for international travel and usually exclude hazardous sports activities.

Could you get quality treatment at a foreign hospital? How would you deal with the language and currency barriers? What if the treatment you need isn't available nearby?

You have enough to worry about when you're traveling. Don't let your medical coverage be an uncertainty. International Medical Group® (IMG®) has developed two Patriot AdventureSM plans to provide you Coverage Without Boundaries® so you can spend more time enjoying your international experience, and less time worrying about your medical coverage.

Why Patriot AdventureSM

The two Patriot Adventure plans offer a complete package of international benefits available 24 hours a day. **Patriot Adventure InternationalSM** provides coverage for U.S. citizens traveling outside the U.S., while **Patriot Adventure AmericaSM** provides coverage for non-U.S. citizens traveling outside their home country. Both plans are available for a minimum of 30 days up to a maximum of six months in accordance with the terms of the Certificate of Insurance.

Additionally, the plans offer excellent benefits and services to meet your global travel needs. You have access to international, multilingual customer service centers, claims administrators who process claims from all over the world, handling virtually every language and currency, and 24 hour access to highly qualified coordinators of emergency medical services and international treatment. You also have access to more than 17,000 providers when seeking treatment outside the U.S. using our International Provider AccessSM (IPA). You can also reduce your out-of-pocket costs when seeking treatment in the U.S. by locating providers through the independent Preferred Provider Organization.

A Unique, Full-Service Approach

At IMG, we know that the reasons to travel abroad are many and varied - that's why our services are designed to provide you with the assistance you need no matter where you are. Our goal is to provide you with Coverage Without Boundaries. By providing global products and services to vacationers, those working or living abroad for short or extended periods, people traveling frequently between countries, and those who maintain multiple countries of residence, IMG is the single resource for all your international travel medical insurance needs.

Our service and support sets us apart. Since 1990, we've served more than a million people around the globe - always focused on the specific needs of each individual. CLAIMS PROCEDURE

PRECERTIFICATION

Each proposed hospital admission, in-patient or out-patient surgery, and other procedures as noted in the Certificate of Insurance must be Precertified for medical necessity, which means the insured person or their attending physician must communicate with an IMG representative at the number on the IMG identification card **prior** to admission to a hospital or performance of a surgery. In case of an emergency admission, the Precertification call must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not Precertified, eligible claims and expenses will be reduced by 50%. It is important to note that Precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All medical expenses eligible for reimbursement must be medically necessary and will be paid or reimbursed at usual, reasonable, and customary rates. Please refer to the Certificate of Insurance for full details of the Precertification requirements.

For Precertification, emergency evacuation and return of mortal remains, please call: IMG in the U.S.: 1.800.628.4664 (toll free) or 1.317.655.4500. Call IMG outside the U.S.: 001.317.655.4500 (collect if necessary). This information will also be provided on your ID card.

Note: An insured person may begin the Precertification process through MyIMG or the Client Resources section of our website, www.imgglobal.com. Simply look for the Precertification option. You will be asked to provide the required information, which can then be submitted electronically to IMG. Once we have confirmed receipt of your request, our utilization management and review team will review the information provided and respond to the insured person or the provider within two business days. Please note that this online service will only initiate the Precertification process, and it should not be used to Precertify emergency admissions, procedures, or evacuations.

CLAIM PAYMENT

All benefits payable under Patriot Adventure are subject to the terms and conditions in the Certificate of Insurance. To make claim processing efficient, claims may be paid in two ways.

1. Eligible expenses that have been paid by or on behalf of the insured person may be reimbursed by check directly to the insured person.
2. Eligible expenses that have not yet been paid by the insured person may, at the option of IMG, be paid either to the insured person or directly to the provider.

Claim forms can be accessed at www.imgglobal.com and mailed to International Medical Group, P.O. Box 88500, Indianapolis, IN 46208-0500 USA. All IMG contact numbers, claim forms and Certificate of Insurance will be included in the fulfillment kit. IMG may also be contacted by fax: 1.317.655.4505 or email: insurance@imgglobal.com.
