# GLOBAL TRAVEL INSURANCE *solutions*

The iTravellInsured Travel Lite plan is designed for travelers seeking to protect their trip investment against trip cancellation and trip interruption. With iTravellInsured Travel Lite you may recover non-refundable, unused payments and deposits when a trip is cancelled or interrupted for a variety of covered reasons. Benefits are also provided for travel delays, baggage delays, and emergency medical treatment while you're away from home.

Separate from these benefits, IMG can provide non-insurance emergency travel assistance, such as helping you replace lost travel documents or lost prescriptions, emergency cash transfers, and legal and medical referrals when necessary.

## CANCELLATIONS AND INTERRUPTIONS

Sometimes life happens and you have no choice but to cancel a trip or end it early. Trip Cancellation and Trip Interruption benefits allow you to recover non-refundable, unused payments and deposits made toward your trip when it is cancelled or interrupted for a covered reason.

## DELAYS

When your trip is delayed and a covered reason keeps you from using your originally booked accommodations, trip delay benefits can help reimburse you for the extra expenses.

## LOST OR DELAYED LUGGAGE

Airline lost your baggage? Luggage stolen while under the care of your hotel? The Baggage and Personal Effects benefit can reimburse you for personal items lost, stolen, damaged or destroyed during your trip. If your checked baggage is delayed for a certain number of hours on the way to your destination, Baggage Delay benefits provide reimbursement for the cost of necessary personal items like clothing and toiletries you need to purchase while waiting for your bags.
