

The Global Employer's Option

The Challenge - Whether you are an international employer or employee, you face the challenge of finding a medical plan to provide worldwide access to quality care and 24 hour availability in emergency situations.

The Solution - GEOSM Group (The Global Employer's Option) from International Medical Group[®]. This international health care plan provides an extensive range of benefits and offers the peace of mind knowing that emergency assistance is just a phone call away, 24 hours a day, seven days a week.

GEOSM Group

- » Available for groups of two or more
- » A variety of deductible options are available
- » Maternity is treated the same as any illness
- » Optional dental, life, and daily indemnity
- » Rates are less expensive than those of most domestic carriers
- » Includes international benefits not normally found in a domestic plan
- » Provides the mobility of moving from one country to another
