Age Limits and Eligibility

Individuals and their dependents worldwide of all nationalities are eligible to apply for cover from 14 days of age up until the age of 74 years. In the case of children under the age of 19 years, a parent or guardian is required to sign the application on their behalf.

Non-USA citizens may reside anywhere in the world including their home country. However, in respect of cover in the USA, certain eligibility restrictions may apply.

USA citizens must reside outside the USA on their effective date and arrange to reside outside the USA for at least six months during each period of insurance.

Please contact us for further details regarding age limits and eligibility, or refer to the GlobalSelect Policy Wording (*available upon request*) for full eligibility conditions and restrictions relating to cover within the USA.

Ability to Switch to GlobalSelect

If you are already insured with another medical insurance company, you may still apply to switch to GlobalSelect. We offer a range of switch options, including the ability for us to apply credit for your time insured elsewhere towards similar applicable GlobalSelect Wait Periods. Your switch to GlobalSelect is subject to terms and our acceptance, so please do not cancel or lapse any existing coverage until we have confirmed your coverage in writing. Contact your broker or IMG for further details, and a Switch Terms Application Form (*available upon request*).

Lifetime Cover

Lifetime medical cover may be available if you enroll in GlobalSelect before your 65th birthday and you maintain continuous cover up until age 75 - at which point you may become eligible to apply for continuing cover under one of our Senior Citizen Plans. Your GlobalSelect plan will automatically terminate at the policy renewal date following your 75th birthday.

Renewal of Cover

GlobalSelect is annually renewable and continues when renewed. Prior to the end of each 12 month period of insurance, you will receive a renewal form. You must continue to meet the eligibility requirements in order to renew. There are no medical questions at renewal, and your rate will be based upon your age and cover selection at the time of renewal.

No & Low Claims Discounts

Plus, for all individual and family policyholders, as long as your GlobalSelect plan remains claims free at each renewal, you will be eligible to receive a No Claims Discount off your renewal premium at that time. The use of your Annual Wellness and Health Check Cover (*Section B16/17 - if applicable to your chosen sub-plan*) will not affect your No Claims Discount status. And even if you do claim, as an added benefit we also include a range of Low Claims Renewal Discounts that may be available to you.

Automatic Renewal

For your convenience, if you pay by credit/debit card - we will notify you of your renewal premium in advance of your renewal date and automatically renew your plan and charge your card just before renewal, thereby preventing any accidental break in cover at renewal - unless of course you are no longer eligible or we hear from you to the contrary before renewal.

Wide Range of Covers

All eligible charges for in-patient treatment are covered up to an overall maximum sum insured and, depending upon your chosen sub-plan, there is also a wide choice of cover available for out-patient treatments. We offer one of the widest range of covers available, as well as some new and unique covers. Please refer to the Schedule of Cover and Excesses and the Policy Wording (*available upon request*) for further details of the cover under each sub-plan. **In summary, the four GlobalSelect sub-plans are:**

GLOBALSELECT HEADSTARTSM

A very affordable 'entry level' medical insurance designed to get you to see a consultant or specialist privately and quickly - whether before or after hospital admission (*not dependent upon admission*), or following out-patient surgery.

- Allows you to receive the private in-patient treatment you need, when you need it, as well as out-patient surgery, cancer tests and MRI/CT scans
- Includes emergency evacuation and repatriation to the nearest medical facility within your geographic area of cover
- 'Go private' and avoid having to suffer unnecessary or long waiting lists

GLOBALSELECT BASICSM

An affordable and effective medical insurance that gives you higher limits and more sections of cover than HeadStart. As well as in-patient treatment, out-patient surgery, cancer tests and MRI/CT scans, the Basic sub-plan provides a wide range of additional covers including:

- Specialists, Consultants, X-rays, tests and prescribed medicines relating to pre and post hospital treatment
- Major organ transplant
- Physiotherapy
- Homeopathic and osteopathic treatments
- Home nursing
- Compassionate visits
- Stabilisation of an acute episode of a chronic medical condition

Limited worldwide accident and emergency cover is also available under the Basic sub-plan if you travel outside your geographic area of cover. What's more, if you choose to apply for a Full Medical Underwriting Policy (*see page 18 for further details*), if declared and accepted, limited cover can even be included for pre-existing medical conditions following 24 months continuous cover under GlobalSelect.

GLOBALSELECT STANDARDSM

Offers significantly wider and increased benefits compared with the Basic sub-plan, with extensive cover for family doctor treatment and prescribed medicines, including additional benefits for:

- Complementary Medical Treatment

- Hormone Replacement Therapy (early onset)
- Rehabilitation and Hospice Care
- Psychiatric Treatment
- Annual Health and Wellness Check Ups for adults and children
- Annual Sight Test, Hearing Test and Routine Vaccinations and Inoculations

Cover, if you choose to apply for a Full Medical Underwriting Policy (*see page 18 for further details*), is also available for declared and accepted pre-existing conditions and on-going chronic and palliative treatment, after 24 months continuous cover. You can elect to have eligible treatment in the USA within our network of providers.

Highly valuable sections of non-medical cover include:

- Out of Country Legal Expenses
- Security and Political Evacuation and Repatriation
- Identity Theft Cover and Assistance
- Out of Country Criminal Assault Benefit
- Natural Disaster Evacuation and Accommodation

GLOBALSELECT EXECUTIVESM

Offers you some of the highest limits of cover and the widest range of premier international medical insurance covers available anywhere in the world today. The Executive sub-plan provides all the covers on all the sub-plans and more, including:

- Vision Contribution due to Accident benefit
- Routine dental treatment (after 6 months continuous cover)
- Restorative dental treatment (after 12 months continuous cover)

Optional Maternity Coverage Available On All Sub-Plans

If desired, you can choose from a range of differing levels of optional Maternity coverages available to female applicants for an additional premium. Refer to the Optional Valuable Additional Covers Section (*page 19*) and Schedule of Cover and Excesses for further information.

Please choose carefully as the optional Maternity coverage is only available to female applicants at the time of initial application and cannot be added at renewal or a later date.

Family Cover - Free Cover for One Child Under 10 Years

For families applying for the GlobalSelect plan, one child (*aged between 14 days and under 10 years*) is covered free for the first year of coverage when insured with a parent or guardian. On the first renewal date, the premium will be 50% off the published applicable rates. For subsequent renewals, the applicable premium will apply. Note: If you are applying for a Moratorium Underwriting Policy, the annual recurring Moratorium Underwriting Fee will apply for the 'free' or discounted child. All persons applying must be listed on the initial application form.

Value Added Services and Benefits Include:

- **24 Hour Emergency Helpline** - Helping you with medical emergencies and evacuations worldwide.
- **USA Medical Concierge Service** - Helping you navigate the US healthcare system to identify the highest quality, most cost-effective providers when seeking certain eligible treatments or services within the USA.
- **Medical Information Service** - Giving you access to board-certified physicians, licensed psychologists, and pharmacists to assist you with any routine health related questions (*GlobalSelect Standard and Executive sub-plan policyholders only*).

Manage Your Account Online. Anytime. Anywhere.

As a GlobalSelect policyholder you will also benefit from having access to MyIMGSM. This secure online member customer service facility allows you to quickly, easily and conveniently access, manage and update information about your account, obtain duplicate documents or download forms, check the status of your claim, search for a medical or network provider worldwide, and much more - online 24/7 from anywhere in the world!

Your Choice of Cover - What's Best for You

A Choice of Excesses

A Standard Excess is the first amount of a claim payable by you before any benefits are paid under the plan. There is only one excess per medical condition per period of insurance.

The Schedule of Cover and Excesses identifies the Standard Excess that applies to your chosen GlobalSelect sub-plan. There is also a range of optional voluntary medical excesses available to you and your family:

- On the Standard and Executive sub-plans, for an increase in premium you may choose to reduce your excess from that of the Standard Excess.
- Alternatively, you may choose to increase the excess above that of the Standard Excess and this will result in a reduction in your standard premium of up to 50% depending upon the increased excess you select.

Choosing Your Geographic Area of Cover

By restricting your cover to certain geographic areas, you can reduce the premium you pay. With GlobalSelect, you have a choice of three different geographic areas of cover:

Area One - Europe including:

Albania, Andorra, Armenia, Austria, Azerbaijan, Belgium, Bosnia and Herzegovina, Bulgaria, Canary Islands, Channel Islands, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Gibraltar, Greece, Greenland, Holland, Hungary, Iceland, Ireland, Italy, Jersey, Kazakhstan, Kyrgyzstan, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Madeira, Malta, Moldova, Monaco, Netherlands, Norway, Poland, Portugal, Romania, Russian Federation, San Marino, Serbia, the Slovak Republic, Slovenia, Spain *(including the Balearics and Canary Islands)*, Sweden, Switzerland, Tajikistan, Turkey, Turkmenistan, Ukraine, United Kingdom, Uzbekistan, the Vatican City and Yugoslavia.

Area Two - Worldwide excluding:

USA, Canada, China, Hong Kong, Macau, Japan, Singapore, and Taiwan.

Area Three - Worldwide

Worldwide Accident and Emergency Out of Area Cover

Your sub-plan may also allow restricted Worldwide Accident and Emergency cover outside your chosen Area of Cover for up to a specific monetary limit of cover and to a maximum number of days per year. This is particularly beneficial if you travel out of your geographic area of cover frequently on short trips or decide to go abroad on holiday - refer to the Schedule of Cover and Excesses for further details.

GlobalSelect®

Schedule of Cover and Excesses

This Schedule of Cover and Excesses must be read in conjunction with the GlobalSelect Policy Wording (*copy available upon request*), and all sections and cover are subject to all terms and conditions. Each GlobalSelect sub-plan has a different column to identify the specific limits of cover and sections that are applicable to it.

Your cover is always subject to the overall aggregate maximum sum insured per insured person. Each section of cover is per Insured Person and per Period of Insurance, unless stated otherwise and always subject to the benefits stated for each sub-plan and plan terms, conditions, limitations and exclusions. Please note that sub-limits and Pre-Certification requirements apply within certain benefit sections - refer to the Policy Wording for further details.

All benefit limits and excesses in this schedule of cover and excesses are set in £Sterling, \$US Dollar or €Euros. The currency in which you pay your premium being either £Sterling, \$US Dollar and €Euros, is the currency that applies to your sub-plan for the purposes of the benefit limits.

With regard to the foregoing Schedule of Cover and Excesses, any reference to 'continuous cover' means continuous, unbroken cover under the GlobalSelect plan. The applicable benefits described will become first available to the Insured Person only at the end of the continuous cover period as specified.

Information Regarding Choice of Underwriting

Cover for Pre-Existing Medical Conditions: Your application for a GlobalSelect International Healthcare Cover Basic, Standard or Executive sub-plan ("Your Plan") allows you a choice of either a Full Medical Underwriting Policy or Moratorium Underwriting Policy. This affects what coverage *(if any)* will be available for pre-existing medical conditions*.

Full Medical Underwriting Policy: With Full Medical Underwriting you must complete a full medical questionnaire. Upon review of your responses and any additional information we require from you or your physician, we decide whether we can accept you for cover and any limitations on your cover. We then confirm any medical conditions that are excluded. Where cover is in effect for 24 continuous months under the plan, you are provided with pre-existing condition cover up to the annual and lifetime limits of the plan for eligible fully disclosed and accepted pre-existing medical conditions as defined by the plan and subject to the terms and

conditions of the Policy Wording (Refer to Schedule of Cover, page 13, Section D1a for Annual and Lifetime Limit). This benefit is payable **even if you have received consultation or treatment** for the condition(s) during the 24 month period. Where we specifically have excluded cover for a disclosed pre-existing condition and after 24 months of cover your condition has improved, you may request review of that exclusion. Non-disclosed pre-existing conditions will never be covered.

Note: If you apply for a Full Medical Underwriting Policy and are declined on medical grounds, you may re-apply for a Moratorium Underwriting Policy (acceptance is not guaranteed).

Moratorium Underwriting Policy: Moratorium Underwriting enables you to apply for your plan without completing a full health questionnaire. Instead, we apply blanket exclusions for any pre-existing medical conditions you have had. The 'moratorium' refers to the fact that if, after 24 months of continuous cover under your plan, you demonstrate two consecutive years without symptoms or treatment, consultation, advice (*excluding routine check-ups*), medication (*including injections*), or special diet for a pre-existing condition (or any related conditions), then should you need subsequent treatment for that condition, you will have cover for it subject to the plan's terms and conditions (Refer to Schedule of Cover, Page 13, Section D1b for Sum Insured). Under the Moratorium Underwriting option, many pre-existing medical conditions, where you need regular or periodic treatment, medication, or checkups, which existed prior to your purchase of your plan, may never be covered. This is because each symptom or treatment, consultation, advice (*excluding routine check-ups*), medication (*including injections*), or special diet for a pre-existing condition (or any related conditions) starts the moratorium again. Moratorium Underwriting is subject to an annual recurring, non-refundable administrative fee - payable each year along with your first premium payment.

**See Policy Wording for definition of 'Pre-Existing Conditions' and a complete list of exclusions and other terms and conditions (available upon request). No cover exists for Pre-Existing medical Conditions under the GlobalSelect HeadStart sub-plan.*

If you are unsure, or your occupation is not purely office-based, or you take part in any dangerous sports, pursuits or activities, please give full details on a separate sheet when submitting your Application Form. We will then advise if cover can be granted. War and terrorist risks can not be covered in certain hazardous countries.
