

It's true, Medicare stops at the border.

Don't leave your medical care to chance! Traveling abroad can be an exciting adventure, but what happens if you become ill or injured during your journey? Medicare and many domestic plans offer very little or no coverage for international travelers. International Medical Group® offers Patriot Travel Medical Insurance®, a plan that provides a wide range of benefits, 24-hour availability, and services designed specifically for those traveling outside their country of citizenship.

Whether you are moving abroad, traveling between countries or maintaining multiple countries of residence, we have a medical plan to fit your needs.

This plan includes benefits such as:

- » Emergency Evacuation
- » Repatriation Coverage
- » Emergency Reunion
- » Common Carrier Accidental Death
- » Accidental Death and Dismemberment
