Is your church group traveling abroad for mission work?

Don't leave your medical care to chance! Many international travelers assume that they will be covered for illnesses and injuries while abroad. The truth is, their domestic plans may not travel with them.

International Medical Group® (IMG®) has been providing insurance products and medical security to churches and missionaries since 1990. IMG can assist you with short-term and long-term plans that provide a wide range of benefits at an affordable price.

Products include:

Global Mission Medical InsuranceSM

Long-term major medical plans providing worldwide coverage for missionaries living abroad.

Outreach Travel Medical InsuranceSM

Short-term coverage for churches and missionaries traveling abroad. Special rates for groups of five or more.

MP+International®

Provides long-term, worldwide medical coverage for mission sending organizations of two or more.
